

# Earn Double Tax Credits

## By supporting Oklahoma students through SGOs & EIGOs.

Together, SGOs and EIGOs help kids of all ages and backgrounds, regardless of where they're enrolled or the unique challenges they face.

### Scholarship Granting Organizations (SGOs)

SGOs help families afford private education from preK-12. Financial limitations should not limit educational options.

**Opportunity Scholarship Fund (OSF)**, the largest SGO in Oklahoma, benefits eligible low-income families.

OSF's scholarships program helps Oklahoma children access the right learning environment for them.

### Education Improvement Granting Organizations (EIGOs)

EIGOs allow Oklahoma taxpayers to invest in public school systems, ensuring school districts have resources to access innovative educational programming.

**LaunchOK** awards funding to public schools for **STEM** and **aerospace initiatives** — bringing cutting-edge careers into reach for more Oklahoma students.

### How to Donate

#### OSF

Donate online at [OSFKids.org](http://OSFKids.org)

- » Send a check
- » Transfer appreciated stocks
- » Utilize IRA required minimum distribution (must be aged 72 or older)
- » Set up an ACH (Auto Debit) / Credit Card Monthly / Annually

Contribute to an OSF member school or OSF's Kids in Crisis fund, a specialized fund, that supports a student in need of financial assistance to either switch learning environments immediately or remain in their current setting.

#### LaunchOK

For a donation form, visit [Launchok.org](http://Launchok.org)

You can donate by sending a check (mark box), using a credit card, or via ACH transfer.

To donate by ACH, contact Donna at: [donna@launchok.org](mailto:donna@launchok.org).

State and federal charitable tax deduction can be applied to the remaining amount (not used by the tax credit) if you itemize.
